a. Principal's Report:

i. Update on CIP: Antiracist Education

- **Proposal for additional PTA Committee or CAC Subcommittee**

Kris Muehling shared actions taken on campus to promote anti-racist education (ARE). She would like BW to be a model campus for ARE. Actions taken to date: staff has attended professional development, guest speakers for both staff and students, book studies, etc. Ms. Muehling would like to create a committee which CAC thought would be better attended if originated from PTA instead of CAC. The committee would be open for parents and BW staff. Sara Ekesi and Kavita Gupta expressed interest in being on this committee. Committee would offer workshops for parents on ARE, develop ideas for cultural events to celebrate diversity on campus, etc.

One class quarantined; 235/374 in-person (approx. 60% in-person); K,1st, 2nd, 4th have complete in-person classes
