There may be discussion and action on any, or all, of the following items:

1. Affirm quorum, convene, approve agenda
2. Review and approve minutes (Oct. 19th): Approved (Kim Zipfel) and seconded (Susan St. Germain).
3. Public Comments: None
4. Reports
 - a. Principal's Report- CIP **Draft** (E. Murr): Emily Murr presented the CIP Draft. Staff is working on rewriting the school's mission statement. Student Achievement: outlined our strengths (science; high percentage mastery achievement) and areas of improvement (writing; did not meet target growth for white reading and white/hispanic math). We will address through staff development and PLCs to make sure student

growth is achieved. We don't know what TEA will decide regarding STAAR in 2021.

School Culture and Climate: strengths (PLCs; positive connection between school and home; students feel safe and welcome) Improve: Approximately a third of the students do not feel connected to at least one adult at school. Plan: PLCs and opportunities for students to connect with one another and with a variety of teachers/staff members. (ie: Mix-it-up Lunch; One School/One Book used to incorporate cultural diversity)

Curriculum, Instruction and Assessment: Really Great Reading implemented school-wide; Humanities PLC. We are still looking for a school-wide math program for school-wide assessment, intervention, and enrichment. Lorene Wallace is our math specialist and will help develop the math program. She will start "officially" in December or January.

CAC Vote on November 2020: Approved

- b. PTA Executive Board Meeting Report: Lee Rigby
*Fundraising: Delay in Panther Fund; How to raise funds during difficult time? PTA is being very sensitive to families during this time.
- c. Business Representative Report: Kim Zipfel, The Marye Company
*Kim Zipfel was approached by AHS Lacrosse coach to see if our lower field could be used after school hours.
***Affordable Housing starting this week at the Grove.** Teachers looking for a 1/1 apartment--3 units available--\$229K---750 sq ft. There will be more rounds. It may be a lottery. Anyone interested should contact Kim Zipfel. There will be a total of 12 units, eventually. Not just educators--could be essential workers, etc. Must act quickly if interested. Community Wheelhouse is handling the sale; not The Grove. Kim was informed that many units are purchased by empty-nesters. As of right now, only one family at BW from The Grove.

Safety concerns (from last meeting): Increased signage and personnel presence has fixed the problem of unauthorized people on campus almost entirely.

5. Adjournment @ 4:08
